

Adobe InDesign Training Courses Sydney, Melbourne, Brisbane & Online

InDesign Interactivity | Course Overview

COURSE DESCRIPTION

Learn how to prepare your InDesign documents to include rich media elements, such as sound, video content and animated graphics. Also learn to add interactive components such as hyperlinks, user-triggered buttons and movie panels to create animations and interactive presentations. Attend this course **online or face-to-face**.

Our instructors are **Adobe Certified**, industry experienced and passionate about training! Our training highlights the features and updates in the latest version of the software - **InDesign CC (Creative Cloud)**.

PREREQUISITES

It is essential that students have at least 1 to 2 years experience with InDesign or have completed the 2 day Adobe InDesign Essentials course. **An InDesign assessment is available if you are unsure of your InDesign user level.**
